## ABOUT THE INSTITUTION (SIEI)

Siddhartha institute of engineering and technology was established in 2008, promoted by Siddhartha Group of Institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG&PG Courses CSE, ECE, EEE, MECH, CIVIL, THERMAL, CAD/CAM, STRUCTURAL, COMPUTER SCIENCE, POWER SYSTEMS, VLSI, VLSI & EMBEDDED & MBA branches and aiming for perfection in engineering and management education. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages co-curricular activities like seminars, workshops, symposiums etc. This national Level Technical Symposium is a part of such activities being conducted every year. The college is flourishing well with good teaching strategies and acquiring good results.

## SIDDHAHASTHA

Student National Technical Symposium

"SIDDHAHASTHA" an annual national students technical symposium hosted by SIEI, intends to bring out innate talents of students initiated in 2012. It aims to bring extraordinary talents of the students in terms of creativity, originality and helps to improve the ability to assimilate, synthesize new ideas and broaden their horizons. It includes "SRUJANA"-the technical paper presentation, "PRAGNA"-the posters presentation, "MEDHA"-the quiz competition and "NIPUNA" - the project exhibition which encourages the spirit of competitiveness and accelerate learning through extracurricular activities within the student community.

## SRUJANA - Paper Presentation

Paper presentation is a platform to express views and ideas. All you need is to take a challenge against the finest & sharpest minds in the engineering circuit.

## PRAGNA - Poster Presentation

The poster is a hybrid between a research paper and an oral presentation. The primary purpose of a poster is to communicate what was done, what data was obtained, the researcher's conclusions & recommendation for future research.

## MEDHA - Quiz

Do you have problem solving skills, ability to think, general awareness and amalgamation of talents in you? Beat challenges and emerge the uncontested winner. Get on your feet right now.

## NIPUNA - Live Project Exhibition.

A project is defined as an activity with an aim to formulating a problem and presenting a solution to it using existing/emerging/novel concepts and/or technologies. The projects may be submitted under any applicative and emerging technology.

Technical event contestants are required to submit full technical paper not exceeding ten pages of printed matter inclusive of text, drawing, sketches, photos etc as per the IEEE format. The technical paper should include title, name of the participant(s), keywords in italics, aim, scope, procedure, analysis, results & conclusion. The technical paper in soft copy through email should reach email id given in the poster on or before 28-12-2017. The format should be in the word document with font size 12 pts, font style "Arial Narrow", paper size A4 portrait, margins- left, right, top1" & bottom 1/2 ". The technical paper will be reviewed by the team of competent academicians drawn from respective fields and selected papers will be reconfirmed by email on or before 30-12-2017.
