Respected Sir,

We collected feedback on Curriculum from different stakeholders like Teachers, Students, Employers and Alumni for Academic Year 2017-18, to take necessary action to Improve the Curriculum from all the aspects to meet the industry requirement.

As Siddhartha Institute of Engineering & Technology is affiliated to JNTUH, we would like to bring to your kind notice to include the subject in the curriculum of next academic years based on the feasibility.

We will be thankful to the University if any of the courses listed below are introduced in the curriculum based on the inputs of the stakeholders that can help the students to build their career.

1. Production and Operation Management.
2. Urban Transportation Planning
3. AI Techniques in Electrical Engineering

Sub: Request to incorporate new subjects into the curriculum based on the feedback received from the stakeholders for the Academic Year 2019-2020 Reg

Respected Sir,

Siddhartha Institute of Engineering and Technology has collected feedback on curriculum from various stakeholders (Teachers, Students, Employers and Alumni). The feedback on curriculum has been collected, analyzed and necessary actions have been taken at Institute level.

We would like to bring to your kind notice that stakeholders gave feedback to include the following mentioned subjects, based on new technologies. As an affiliated Institution of JNTUH, we request for your kind perusal and consideration to take necessary action. The University may incorporate the Mentioned subjects at an appropriate level as deemed fit.

1. Artificial Intelligence.
2. Internet of things (IOT).
3. PRO -E
4. Earthquake resistant design

These technologies and new subjects would certainly help majority of the Engineering graduates to enhance their knowledge and skillset.

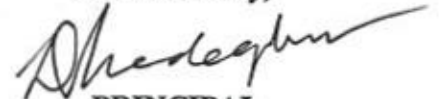

We hope you will consider our request and take initiative to introduce the above-mentioned courses in JNTUH curriculum as deemed fit.

Thanking you,

  
DESPATCHAR
