DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Presents

Online Workshop on Insights into Intellectual Property Rights

09-08-2021 to 14-08-2021

About the College

Siddhartha Institute of Engineering & Technology was established in 2008, promoted by Siddhartha Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG Courses CSE, CSE-AI&ML, CSE-DS, ECE, EEE, MECH, CIVIL, and PG Courses THERMAL, CAD/CAM, STRUCTURAL, COMPUTER SCIENCE, POWER SYSTEMS, VLSI, VLSI & EMBEDDED & MBA branches and aiming for perfection in engineering and management education. The Institute is NBA accredited. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages co-curricular activities like seminars, workshops, symposiums etc.

About IPR Cell

An Intellectual Property Right (IPR) Cell has been formed to provide Knowledge by coordinating and conducting activities related to the Intellectual Property Rights in the Institution and also to create awareness among the stakeholders to save individuals work or ideas.

About the Workshop

The purpose of this workshop is to make aware the participants about the rights provided by the IPR to creators or inventors. It also encourages the individuals to share the information of their ideas rather than keeping them secret and also makes one to know about the benefits and legal defense for their inventions.

Registration

It is open to all faculty, Students and Research Scholars. No registration fee. Register on or before 09/08/2021 through the following link <https://forms.gle/EpdkdoDx79vVeDu29>

About the College:

Siddhartha Institute of Engineering & Technology was established in 2008, promoted by Siddhartha Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG Courses CSE, CSE- AI&ML, CSE-DS, ECE, EEE, MECH, CIVIL, and PG Courses THERMAL, CAD/CAM, STRUCTURAL, COMPUTER SCIENCE, POWER SYSTEMS, VLSI, VLSI& EMBEDDED & MHA branches and aiming for perfection in engineering and management education. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages co-curricular activities like seminars, workshops, symposiums etc.

About Department:

The Department of ECE has commenced right from the inception of this college in 2008 with an intake of 60 and subsequently increased its intake to 120 by 2009. The Department also offers PG course with an intake of 18. The Department is well equipped with 12 labs, each with a capacity of 30 systems and updated licensed software's were installed. The Department also provides a R&D lab with an internet connection of 24 systems for staff and students to take up their research work. The Department encourages the staff and students to publish papers and to participate in various workshop and events. The Department has a very good track record of placements into various companies like Infosys, Samsung, Asta Microwave Pvt limited, TCS etc. The Department also has a tie up with various Multi National Companies which offers training in latest technologies, placements and Internships. The department possess 4 PhD's, 3 faculty pursuing PhD's and 20 M.Tech faculty.
