About the College:

Siddhartha Institute of Engineering and Technology was established in 2008, promoted by Siddhartha Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG & PG Courses CSE, ECE, EEE, MECH, CIVIL, THERMAL, CAD/CAM, STRUCTURAL, COMPUTER SCIENCE, POWER SYSTEMS, VLSI, VLSI & EMBEDDED & MBA branches and aiming for perfection in engineering and management education. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages co-curricular activities like seminars, workshops, symposiums etc. This national Level Technical Symposiums is a part of such activities being conducted every year. The college is flourishing well with good teaching strategies and acquiring good results.

About the Department:

The department of CSE was established in 2008 with an intake of 60 students in the UG Programme. The intake was enhanced to 120 in 2010. The Department has good infrastructure facilities and is equipped with full-fledged laboratories. The staff members are deputed to participate in workshops, Conferences and refresher courses to keep in place with recent developments in the field of Computer Science & Engineering.

About the Workshop:

Entrepreneurship development is basically the process of improving the skill set as well as the knowledge of the entrepreneurs. This can be done through various methods such as classroom sessions or training programmes specially designed to increase the entrepreneurial acumen.
