Dear Awardee,

Apropos the subject cited above, I wish to congratulate you for having been **selected** out of 122 nominations received for the most prestigious **I2OR National Culture Excellence Award 2017-18**, instituted by the International Institute of organized Research (I2OR) which is a registered MSME with the Ministry of Micro, Small and Medium Enterprises, Government of India and is advocating United Nation's Sustainable Development Goals through Academic and Research Programs for API and Career Advancement Scheme.

It is our mountainous pleasure to convey that you have achieved an impressive benchmark through your exclusive hard work and the unparallel display of remarkable contribution in the domain of **Singing (Rank 1)** in a very conforming manner. This most congratulatory paraphrase has been determined according to the very compelling analytical review of our acclaimed "Jury Members" from the perspective of your both "Qualitative and Quantitative" introspection.

Wish you all the best for your scholarly future along with the definite core of perfection.

Subject: I2OR National Sporting Excellence Award 2016-17 by I2OR, India-reg.

Dear Awardee,

Apropos the subject cited above, I wish to congratulate you for having been **selected** out of 102 nominations received for the most prestigious **I2OR National Sporting Excellence Award 2016-17**, instituted by the International Institute of organized Research (I2OR) which is a registered MSME with the Ministry of Micro, Small and Medium Enterprises, Government of India and is advocating United Nation's Sustainable Development Goals through Academic and Research Programs for API and Career Advancement Scheme.

It is our mountainous pleasure to convey that you have achieved an impressive benchmark through your exclusive hard work and the unparallel display of remarkable contribution in the domain of **Basketball (Rank 2)** in a very conforming manner. This most congratulatory paraphrase has been determined according to the very compelling analytical review of our acclaimed "Jury Members" from the perspective of your both "Qualitative and Quantitative" introspection.

Wish you all the best for your scholarly future along with the definite core of perfection.

Sincere Regards

(Dr S N Mehta)
