INTERNAL QUALITY ASSURANCE CELL (IQAC)

To enhance the quality improvements in the academic process and also as a pre-accreditation exercise Internal Quality Assurance Cell (IQAC) was formed in the college in academic year 2015-2016. The objective of the cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution at all levels with the involvement of all stakeholders.

STRATEGIES

QAC shall evolve mechanisms and procedures for:

- Timely efficient and progressive performance of academic, administrative and financial tasks.
- The relevant and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning
- The creditability of evaluation procedures
- The adequacy, maintenance and proper allocation of support structure and services
- Research sharing and networking with other institutions in India and abroad.

FUNCTIONS

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institutions
- Dissemination of information on the various quality parameters of higher education
- Organization of workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement
- Acting as a nodal agency of the institution for quality-related activities
- Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NBA / UGC / AICTE / University etc based on the quality parameters.
